BID FAREWELL TO BOSTONIANS

Big Crowd on Dock When the Steamer Sails—Leis Bedecked Juveniles

Honolulu bade a demonstrative farewell to the Juvenile Bostonians last night when the company sailed away on the Canadian-Australian liner Marama.

Hundreds of people went to the dock and stayed until the steamer left at ten o'clock, and there was a ton or two of flowers distributed impartially over every member of the company, Manager Bert Lang, Musical Director George Bromley and everyone else.

Scores of lei-girls did a rushing business at the dock, and Hawaii's tokens of friendship and affection bedecked the company until the girls were literally buried in bright blossoms.

Just before the boat sailed rows of cheers were given for the Bostonians, and for the Pollards, who had come in from the Marama in the afternoon from Australia and who gathered at the dock to witness the steamer's departure.

It was the liveliest steamer-sailing of any night in months. The players showed how sorry they are that the Bostonians are going, and gave them a typically warm and typically picturesque farewell send-off.

Mrs. Bertha Schwarzwald, 51 years old, of New York, attempted suicide with nitric acid because of gossip of neighbors envious of the prosperity of her children.

Womanly Strength and Beauty

The woman who is really beautiful is the woman who is well. The languid, nervous style of beauty once so popular with fiction writers is no longer in favor, either in books or in daily life. The beauty of today exists heartily and sleeps well and trusts to nature to paint its roses in her cheeks. No medicine is better adapted to women's needs than

Stearns' Wine of Cod Liver Extract

It appeals at once to the palate and the eye, pleasing them by its taste and its tempting appearance. Its action is very simple and natural, since it builds up the bodily health by stimulating the appetite and digestion and renews and enriches the blood by introducing more iron. It can always be depended upon, for besides being the best of tonics it, speedily breaks up hacking coughs and other bronchial troubles. Get Stearns' Wine of Cod Liver Extract at your druggists, and be sure you get the genuine STEARNS'.

5500 Copies

Was the Press Run on Saturday, July 13, of the

Honolulu Star-Bulletin

Of this number there were ninety-eight copies left over for office sales, files and copies for the office staff.

We are getting settled down to a bed-rock basis of circulation. The duplications of subscribers to the two former evening papers are practically eliminated, and the circulation of the Honolulu Star-Bulletin is holding to a figure far above the original guarantee.

A circulation of Five Thousand or more, and an advertising rate of Fifteen Cents an Inch is an offering of value to advertisers that cannot be equaled for value in any other city of the United States.

It is proof that the Honolulu Star-Bulletin is giving the best advertising medium with the lowest relative rate per inch.

Everyone admits we supply the people with the best news medium Hawaii has ever known. The good work will be continued.

Do not forget that the circulation books of the Honolulu Star-Bulletin are open to any business man who wishes to know what value he is getting.
